According to him, he was designated as Supervisor but he supervised only the quality of the products, in the quality Measurement Section under the Manufacturing Division and his job was different in nature from that of the other Supervisors of the Company who had to supervise the work of other worker under them where as there were no workman working under him and he had to do physical job involving special technical skill. The management controverted the allegations of the workman and contested the complaint on several grounds giving rise to the following issues.

- (1) Whether Shri Nair is a workman as defined under section 2 (s) of the Industrial Disputes Act, 1947 ?
- (2) Whether the demands the subject matter of the present dispute was first raised on the management and rejected by it before the matter was taken up for conciliation ? If not, with what effect ?
- (3) Whether the reference is under section 2-A of the Industrial Disputes Act, 1947, and therefore misconceived and bad in law ? If so, with what effect ? (on management).
- (4) Whether the statement of claim has not been signed by the competent person ? If so, with what effect ? (on management).
- (5) Whether the present dispute has been properly espoused ? If not with what effect ? (on workman)
- (6) Whether the action of the management in suspending Shri V. K. Nair for the following period was justified and in order ? If not, to what relief is he entitled ?
  - (1) 31st August, 1972 to 23rd November 1972
  - (2) 24th November, 1972 to 28th November 1972.

No evidence has yet been led on either side. It is, however, not necessary to go into the merits of the case and the issues involved as the parties have arrived at an amicable settlement in the main reference and Shri V. K. Nair, workman concerned the present complainant has received Rs. 43392.80 in full and final settlement of his entire claims against the management. He, therefore, does not want to proceed with the present complaint. The statements have been recorded.

LABORATORIES, 20, MATHURA ROAD, FARIDABAD

Present:—

Nemo, for the workman,  
Shri K. P. Aggarwal, for the management.

#### AWARD

Shri Ram Jinder workman concerned was in the service of M/s National Laboratories, 20, Mathura Road, Faridabad. “Whether the termination of services of Shri Ram Jinder was justified and in order ? If not, to what relief is he entitled ?”

On receipt of the order of reference, the parties were called upon to put in their respective pleadings. The workman has not appeared nor is he represented by any union leader. The management on the other hand, has pleaded the settlement of the dispute and payment of the dues of the workman.

Shri K. P. Aggarwal authorised representative of the management has sworn testimony to the fact that Shri Ram Jinder had approached the management for the settlement of the dispute and the settlement was arrived at, as per terms and conditions given in the memorandum of settlement Exhibit M. 1, and that he has been paid Rs. 320/- in full and final settlement of his dues in terms of the above settlement,—vide receipt Exhibit M. 2.
